# Web Announcement 215

## Prescription Pads Must Be Tamper Resistant Effective Oct. 1, 2008

Effective Oct. 1, 2008, all written, non-electronic prescriptions for Medicaid Fee For Service outpatient drugs must contain at least three tamper-resistant features (at least one from each category). The attached [letter](#) issued by the Division of Health Care Financing and Policy (DHCFP) contains the requirements for Tamper-Resistant Prescription Pads and situations when the requirement does not apply.
